

BETTER USE OF LIGHT BULBS ACT

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Monday, July 11, 2011

Mr. VAN HOLLEN. Mr. Speaker, H.R. 2417 proposes to repeal bipartisan, common sense lighting efficiency standards signed into law by President Bush in 2007. These technology neutral standards simply call for efficiency improvements of 25 to 30 percent above traditional incandescent bulbs and are broadly supported by industry, environmental groups and consumers alike.

Mr. Speaker, lighting accounts for approximately 19 percent of our total electricity use. So the potential for energy savings in the lighting sector is substantial. In fact, when these new lighting efficiency standards take effect in 2012, they will save the average American household over \$100 a year in lower electricity bills, negate the need for 30 large power plants and avoid approximately 100 million tons of carbon pollution, which is the equivalent of taking 17 million cars off the road.

Proponents of this bill falsely claim that these new standards will somehow eliminate incandescent bulbs or restrict consumer choice. In reality, major manufacturers including GE, Philips and Osram Sylvania are already manufacturing a number of bulbs—including incandescent bulbs—that meet the new efficiency standards. Additionally, these improved standards have drawn new entrants into the market, like North Carolina-based Cree, whose innovative LED products are creating jobs right here in the United States and giving consumers more choice, not less.

Mr. Speaker, the traditional incandescent bulb was invented over 100 years ago. We should no more turn back the clock on lighting efficiency than we should return to the days of ice boxes and the horse and buggy. This is fundamentally backward looking legislation that should be soundly rejected.

TRIBUTE TO HONORABLE RICARDO M. URBINA

HON. CHARLES A. GONZALEZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Mr. GONZALEZ. Mr. Speaker, I ask my colleagues to join me in honoring Judge Ricardo Manuel Urbina for his distinguished career and long outstanding service to his community.

Over the course of his career as an NCAA track and field champion and Georgetown University honors graduate, he distinguished himself as an athlete and a scholar. In the early years of his life, Judge Urbina was frequently recognized for his exceptional athletic achievements which included his running in the 1968 Olympic trials. After receiving his law degree in 1970, he continued to break barriers with every stride further earning a stellar reputation as a trial lawyer, academician and tenacious advocate for the fair and equal administration of law.

In 1981 President Reagan appointed him to the DC Superior Court. Thirteen years later,

President Clinton appointed Judge Urbina to serve on the United States District Court for the District of Columbia where he currently presides after thirty years of service on the bench.

I am inspired by Judge Urbina's steadfast commitment to the law and strict adherence to the highest ethical standards. Numerous lawyers, judges, and Latino leaders have had the privilege to be mentored by Judge Urbina and have benefited from his counsel and guidance. He has inspired a diverse network of people to strive to reach their fullest potential and pursue their dreams.

Judge Urbina's career exemplifies not only notable legal accomplishments and a long history of achievements in every arena of endeavor, but also a man's tireless efforts to improve the line of succeeding generations. Mister Speaker, it is my distinct pleasure to congratulate Judge Urbina for his thirty years of service on the bench, to wish him the best as he assumes senior status and to recognize the many contributions he has made to the administration of justice.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2011

Mr. MICHAUD. Mr. Speaker, I rise today in recognition of the accomplishments of Maureen Aubé of Auburn, Maine.

Maureen is the recent recipient of the Jim Phillips Award bestowed upon her by United Way of America. The Jim Phillips Award is given to an individual who exemplifies the missions, visions and values of the United Way. Jim Phillips served United Way in numerous capacities over the years: marketing committee, campaigner, board member and board chairman prior to his death in 2002. The award is now given to one whom exhibits a character of compassion that is visible throughout his or her business, personal and family life.

I have had the honor to know Maureen personally, and she more than meets these standards. The United Way of America defines community impact as "mobilizing communities to create lasting changes in community conditions that improve lives." Maureen does just that. She has been a long-time volunteer with United Way, serving 4 terms on the Campaign Cabinet, as well as advocating for those in the National Guard and working on community revitalization and service projects through the Elks Club.

Tuesday, July 12, 2011

Mr. KILDEE. Mr. Speaker, I ask the House of Representatives to join me in congratulating Paul Spaniola for his 83rd year as the owner of Paul's Pipe Shop in Downtown Flint. Paul's Pipe shop is a local landmark and has resided in the same location for over 48 years.

Paul was born in Owosso, Michigan on January 29th, 1913. At the age of 15 he opened his original location in Morrice, Michigan. Shortly after, in 1930, he moved the shop to Swartz Creek. In 1948 he moved to Flint's Downtown District, where he resides to this day.

Paul is a world renowned pipe smoker and his reputation precedes him in the competitive pipe smoking community. Paul is the only person to win the International Association of Pipe Smokers World Championship six times. He won his first championship in 1951 smoking for over 68 minutes, again in 1966, 1970, 1973, 1977, and his last in 1992 smoking for over 98 minutes.

Through his travels as shop owner and world champion, Paul was able to smoke a pipe with many interesting people and celebrities. One very notable occasion came about when he was asked to teach Susan Hayward how to smoke a pipe for her role in "The President's Lady." Others include Charles Stewart Mott, Billy Martin and Gov. G. Mennen Williams. As well as maintaining his shop and winning championships Paul is involved in many local charities and community organizations.

Paul is known for his pipe shop but he is more than that. He is a devout Catholic and family man. Paul married Leona Merrill and had 11 children. In 1978, Leona passed away. Several years later, he married Doris Bloss and she had 3 children. All together, Paul has 14 children, 47 grandchildren, 74 great grandchildren and 10 great-great grandchildren.
